

### **Lakeside High School Soccer Booster Club 2024 Soccer Sponsorship Information**

Let me introduce you to the **Lakeside High School Soccer Team, home of the Vikings**. Lakeside High School has maintained a long-standing relationship with the Atlanta area community, allowing our student-athletes to excel in the classroom and on the field. Community sponsors play a vital role in ensuring our team's growth and success. There are significant ongoing costs associated with the day-to-day running of the team. We work hard to keep our players' fees at the lowest possible rates.

LHS enjoyed an exciting and successful soccer season last year in 2023. The girl's Varsity Vikings team made it to the 1st round in the 6A region playoffs. The Vikings Men's team made it to the 6A Elite 8, losing to Blessed Trinity HS. During our season and playoff runs, the teams incurred significant expenses for transportation, field rental fees, and others. We were able to provide our players with the support they needed to be able to focus on their studies and performance on the field. This would not have been possible without the generous contributions from our sponsors!

**We are offering an opportunity to local businesses and new this year Families like yours to become team sponsors.**

We have several sponsorship packages to choose from for organizations of different sizes. Also, in 2024, families can donate to the LHS program. Please select your Sponsorship Level and donate online: [Lakeside Soccer Donation Page](#). We look forward to another successful season and appreciate your support! Please note the LHS Soccer Booster Club is not a 501(c)(3) nonprofit, and contributions are not tax deductible.

---
